COURSES

Full Stack Web Development at TOPS Technologies	Jan 2023 - Dec 2023
How to Create a Web Application with PHP at TOPS Technologies	Jan 2023 - Dec 2023
Machine Learning, Internet of Things, Deep Learning, Computer Vision and SAP Advanced Business Application Programming at SAP	Jan 2023 - Dec 2024

PROJECTS

E-Commerce Website	May 2024 - Present
--------------------	--------------------

Developed a responsive and user-friendly e-commerce website that allows users to browse, search, and purchase products online. Implemented key features including user authentication, product listings with filters and sorting, shopping cart functionality, and secure checkout process. Integrated backend API for managing product data, user accounts, and orders using Node.js and MongoDB. Focused on performance optimization, responsive design, and a smooth user experience.

Live Streaming Website – Real-Time Video Communication Platform	Jul 2025 - Jul 2025
---	---------------------

Developed a responsive and scalable live streaming web application using ReactJS and ZegoCloud API, enabling realtime video and audio communication for events, webinars, online classes, and meetings. The platform supports joining virtual rooms via Room ID and includes live chat, participant panels, and broadcasting controls. Emphasized usability, performance, and smooth streaming experience across browsers.

EXTRA CURRICULAR ACTIVITIES

NCC CADET – NATIONAL CADET CORPS (3 YEARS)

Completed 3 years as a cadet in the National Cadet Corps (NCC) and held the rank of Lance Corporal (LCPL).

Gained practical training in discipline, leadership, and community service.

Selected to represent the unit at the EBSB (Ek Bharat Shreshtha Bharat) Camp held at NCC Headquarters, Ahmedabad, promoting cultural exchange and national integration. Participated in various drills, awareness programs, and inter-state cultural activities.

Key Highlights:

- Rank: Lance Corporal (LCPL)
- Attended EBSB Camp at Ahmedabad NCC HQ
- Participated in parade drills, group tasks, and leadership training
- Developed strong teamwork, discipline, and public speaking skills

VOLUNTEER – BHAKTI PARVA EVENT

Served as a Management Team Volunteer for the 9-day Bhakti Parva event hosted at BAPS Hostel in 2024. Took active responsibility in organizing and supervising a wide range of indoor and outdoor games, as well as managing schedules, participant coordination, and event logistics. Contributed to smooth daily operations, crowd management, and maintaining discipline during competitive and cultural activities. This experience enhanced my leadership, teamwork, and event management skills in a high-energy, live environment.

VOLUNTEER – STUDY CIRCLE EVENT

Volunteered in the Public Relations Team for the Study Circle Event organized at BAPS Hostel on 13th August 2024. Contributed to awareness and outreach efforts by visiting local communities, streets, and colleges to personally invite students and teachers for the session based on a focused educational or spiritual topic. Actively engaged in communication, promotion, and public speaking, which enhanced interpersonal and community engagement skills.
